LONG ISLAND EXPO

Morning Seminar 8:00AM – 10:00AM

A POOL HEAT PUMP ON EVERY POOL – HOW HEAT PUMPS CAN BENEFIT ALL POOL DEALERS THAT SELL THEM AND THEIR CUSTOMERS

The course will explain basics of pool heating, comparing costs between heat pumps and gas heaters. Learn the benefits and drawbacks of heat pumps, heating times and costs. Heat pump installation including internal components and servicing.

Presented by: Geoffrey Pelsise – US Sales Director, Nirvana

Afternoon Seminar 1:00PM – 3:00PM

SOLENIS – SELECTING THE PROPER SANITIZER FOR CLEAR, SAFE WATER

Understand what makes each body of water unique, and the qualities of healthy pool and spa water. You will learn how to use chemistry to treat common issues, maintain proper sanitation, balance, and safe chemical handling.

Presented by: Jerry Mako, Territory Sales Manager, Solenis

MARCH MADNESS:

For dealers with no account balance, we will add a 10% account credit to any payment made at show. Exclusions apply*

**Cannot be combined with any other offer or discounts.*

**For use at Nucci Brothers locations only.*
